MISSION

To give quality education with values for the all round development of all our students and for the upliftment of the society. This is our guiding light. We strive to follow the philosophy of nurturing a healthy human resource which is endowed materially, intellectually, morally and spiritually.

VISION AND OBJECTIVES

The vision of the college finds its origin in the lofty ideals of our founder Swami Dayanand and others who started the institute with a vision of :

- **To impart education through latest technology.**
- **To inculcate moral values, social responsibility and qualities of good citizenship.**
- **To sensitize students towards environmental concerns, feeling of nationalism and communal harmony.**
- To provide a challenging, exciting and personalised academic and social environment.
- To nurture vedic culture and imbibe the ideals of Swami Dayanand- "Education to all".
- To strengthen the urge to excel.
- To create sensitivity towards national and international concerns.
- To support personal growth of students by co-curricular activities.
- To encourage self evaluation and accountability.
